MedVenture Partners, Inc.

Office Relocation Notice

We would like to inform you that MedVenture Partners, Inc. has relocated its office to “Nihonbashi Muromachi Mitsui Tower”, a newly built large commercial building in the Nihonbashi district, which is a growing hub for Life Science businesses. Our telephone and fax numbers have not changed.

MPI will continue to actively invest in the medical device space while accelerating the growth of medical device startups in Japan, bridging overseas startups and Japanese enterprises, and contributing to the development of a medical device ecosystem in Japan.
